Major General John A. Sanford
Director of Intelligence, USAF
Room 4-A-932, The Pentagon
Washington 25, D. C.

Dear General Sanford:

Miss Katherine Jamison of your office recently completed the Basic Intelligence Course conducted by the Agency's Office of Training. I am pleased to report to you that Miss Jamison's record in the course was a satisfactory one. She was an industrious and cooperative member of the training group, and she gave a good account of herself in all assignments set by the instructional staff. In the written presentation of intelligence material she showed an above average ability.

I hope that Miss Jamison received benefits from the course that will make her a more useful member of your organization and of the intelligence community in general.

Sincerely yours,

15 WBS
